JACKSON ESTATE 'GREY GHOST' BARRIQUE SAUVIGNON BLANC

2011

91 Points, eRobertParker.com. Lisa Perrotti-Brown, Dec 2014

The 2011 Grey Ghost Sauvignon Blanc has a gorgeous nose of pink grapefruit, yuzu essence, orange blossoms and cedar with a toasty undercurrent. Medium-bodied, it fills the palate with ripe citrus fruit notes and a touch of oak with a slight herbal lift. It finishes with great persistence.

"A single vineyard wine, handpicked in Marlborough, fermented and lees aged in tanks and seasoned French oak barriques. The bouquet is complex and absorbing; the palate is full bodied, ripe and non-herbaceous, with citrus fruit, lime and peach characters in evidence. One the region's most distinctive Sauvignon Blancs, it is far outside the mainstream exuberantly fruity style, placing its accent instead of weight, concentration, complexity and length. Minerally and subtle, more French than NZ in style, it's a great conversation piece.

"Weighty, richly textured Sauvignon Blanc that is showing the combined benefits of an excellent vintage and a touch of bottle age. Passionfruit, stone fruits and melon flavours are supported by attractively fruity acidity. Classy.
